The statistical information disclosed in this report is obtained from the California Department of Education and the Centinela Valley Union High School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Information for the instructional materials section of this report was acquired in July and October 2012; school facilities information was obtained in January 2013.

LEUZINGER HIGH SCHOOL

Accredited by the Western Association of Schools and Colleges

*Faster, Higher,
Stronger*

SCHOOL ACCOUNTABILITY REPORT CARD 2011-12 SCHOOL ACTIVITY PUBLISHED IN FEBRUARY 2013

PRINCIPAL'S MESSAGE

Leuzinger High School is a large comprehensive high school. We offer a variety of classes to appeal to the diverse academic and social needs of our students. The faculty and staff of Leuzinger work very hard to ensure that our students are prepared for life after high school. An important part of that preparation is developing a plan that requires each student to take courses that are challenging and rigorous.

All freshmen develop a four-year plan with their parents and their counselor. This plan sets clear expectations for high school graduation and increases students' awareness of the importance of education in preparing for the future. This plan is revised and adjusted annually based on students' grades and progress.

In addition to participation in our comprehensive academic program, students may enroll in our four-year Advancement Via Individual Determination (AVID) program of college preparation classes or in one of three career academies: the Environmental Careers Academy (ECA), Multimedia Career Academy (MCA), or Triple A (Advanced Academic Academy).

The future belongs to those who have the skills and talent to meet the demands of our fast-paced, highly technological society. Academically prepared Olympians are the future!

DISTRICT PROFILE

Centinela Valley Union High School District is located next to the 405 freeway in the city of Lawndale, approximately 20 miles southwest of the city of Los Angeles. During the 2011-12 school year, the district's three comprehensive high schools, continuation school, and independent study school served a total of 6,547 students in grades 9-12 residing in the cities of Hawthorne, Lawndale, and Lennox, and unincorporated portions of Los Angeles County. The district serves four feeder districts, Hawthorne Elementary, Lawndale Elementary, Lennox Elementary, and Wiseburn Elementary.

DISTRICT VISION

The Centinela Valley Union High School District is committed to providing an educational environment in which all students succeed. Students will be prepared to meet the challenges of higher education and the future demands of a modern technological society.

SCHOOL PROFILE

During the 2011-12 school year, Leuzinger High School served 1,581 students in grades 9-12. Student enrollment included 8.9% receiving special education services, 48.2% qualifying for English learner support, and 89.8% qualifying for free or reduced-price meals. Leuzinger High School offers a comprehensive standards-based curriculum, preparing students for their post-secondary education opportunities and entrance into the workforce.

Percentage of Students by Ethnicity/Grade Level

2011-12

Ethnic Group	%	Grade Level	#
African American	23.3%	Grade 9	298
American Indian or Alaskan Native	0.0%	Grade 10	425
Asian	4.7%	Grade 11	358
Filipino	1.4%	Grade 12	469
Hawaiian or Pacific Islander	2.0%	Ungraded	31
Hispanic or Latino	66.7%		
White (not Hispanic)	1.4%		
Two or More Races	0.6%		
Total Enrollment			1,581

SCHOOL VISION

All Olympian graduates will be eligible to attend a four-year college or university. Our students will leave Leuzinger High School with the knowledge, skills, and experiences necessary to be successful in any postsecondary education environment. They will have a strong sense of what occupation they would like to pursue as a career, and will have received guidance as to which post-secondary institutions, training programs, or industries will best fit their personal goals.

PARENT INVOLVEMENT

Parents are encouraged to get involved in Leuzinger High School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance:

- In the library
- Chaperoning field trips
- Presentations at parent meetings
- With athletics
- With student supervision

Parent representation is an integral component of the School Site Council, English Learner Advisory Council, WASC Team (Western Association of Schools and Colleges), and Parent Teacher Student Association (PTSA). Each of these groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the school office at (310) 263-2200.

Leuzinger High provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

- Back to School Night
- Back on Track Night
- Family Mediation
- Parent Education Workshops
- Title I Parent Meetings
- Family Counseling
- Open House
- STAR Awards
- Student Performances
- Subject-Based Night
- College Night

SCHOOL NEWS

All school-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates in the following formats:

- ConnectEd (mass communication telephone system)
- E-mail
- Flyers
- Monthly parent meetings
- Phone calls
- School website www.leuzinger.org
- School marquee
- Twitter@Leuzinger_HS

STUDENT ACHIEVEMENT

ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2011-12 AYP cycle, high schools must achieve a 77.8% or higher proficiency rate in English/Language Arts and 77.4% or higher proficiency rate in math on the California High School Exit Exam (grade 10 results only). Additional criteria contributing to whether or not a high school demonstrates AYP include achieving a 95% or above participation rate on the CAHSEE, obtaining an API growth score of 740 or higher or increasing the API growth by one point, and obtaining a graduation rate of 90%.

Adequate Yearly Progress Results Reported by Indicator and Compared to District Performance 2011-12		
Did the school and district meet or exceed 2012 AYP performance criteria in each of the areas listed below?		
AYP Criteria	Leuzinger	CVUHSD

Students with Disabilities	95	5	0	86	14	0

In order to protect student confidentiality, no results are reported for any group of 10 or fewer students. In cases where a % is not provided, no students were tested in the respective subgroup or subject area.

The AYP table in this report illustrates the school's progress in meeting 2010-11 AYP target rates. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

STANDARDIZED STATE ASSESSMENTS

Students at Leuzinger High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS).

CALIFORNIA STANDARDS TEST

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

CALIFORNIA HIGH SCHOOL EXIT EXAM

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and English/language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years. Students must pass the English/language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 77% of Leuzinger High School's tenth

grade students who took the test in 2011-12 passed the math portion of the exam and 72% passed the English/language arts portion of the exam. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report. Detailed information about the CAHSEE can be found at www.cde.ca.gov/ta/tg/hs/.

PHYSICAL FITNESS

In the spring of each year, Leuzinger High School is required by the state to administer a physical fitness test to all students in the ninth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2011-12			
Grade(s) Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Ninth	24.3%	20.8%	23.6%

ACADEMIC PERFORMANCE INDEX

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement.

The API measures academic performance and growth of California's schools based on a numeric scale ranging from a low 200 to a high 1000. Academic growth is measured by subtracting the base year API from the growth API. API growth scores are based upon the results of state standardized tests. Schools that do not meet or exceed their growth targets and are ranked in the bottom half of the statewide distribution may qualify for intervention program funding. Each annual API reporting cycle includes two reports: a base report, which is released after the first of

the calendar year, and a growth report, which is released after school starts in the fall. These reports are based on APIs calculated in exactly the same fashion with the same indicators but using test results from two different years.

The API table in this report highlights Leuzinger High School's progress over the past three years. To maintain confidentiality, results are reported for numerically significant subgroups only. Numerically significant subgroups are comprised of 1) at least 100 students with valid test scores or 2) at least 50 valid scores comprising at least 15% of the valid test scores.

NO CHILD LEFT BEHIND (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2011-12, Leuzinger High School received Title I Schoolwide funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

Title I PI Status 2012-13		
	Leuzinger	CVUHSD
PI Status	In PI	In PI
First Year of PI Implementation	1999-2000	2004-05
Year in PI	Year 5	Year 3
# Schools Currently In PI		3
% Schools Currently In PI		60%

The statistical information in this table reflects the PI status during the 2012-13 school year.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum

Academic Performance Index Three-Year Performance Comparison

enhancement program designed to help schools increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ay/.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Leuzinger High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed circa 1933. Leuzinger High's Center for Arts and Science complex, a 44-classroom facilities, was completed and opened 2011-12. Monthly safety inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

Campus Description	
Year Built	circa 1933
	Quantity
# of Permanent Classrooms	71
# of Portable Classrooms	0
# of Restrooms (student use)	4 sets
Auditorium	1
Cafeteria	1

Overall Summary		✓	

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

SUPERVISION & SAFETY

All staff share in the supervision of students throughout the day. As students arrive on campus each morning, administrators, counselors, the dean of students, the safety officers, and school resource officer are stationed at strategic locations to monitor student activities. During the lunch period, all administrators, the dean of students, safety officers, custodians, and the school resource officer share supervision of students in meal areas and common gathering areas. When students are dismissed at the end of the day, all administrators, the dean of students, safety officers, and the school resource officer circulate throughout the campus and monitor exit areas to ensure students leave campus in a safe and orderly manner. To maintain a safe and secure environment, all parents and visitors are required to check in with the security officer at the front of the school upon arrival and obtain and wear a visitor's badge.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Leuzinger High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with staff in the fall of 2012.

FACILITIES MAINTENANCE

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic (web-based) work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of Leuzinger High School's repairs and maintenance projects are performed by the school's day custodians. A crew of custodians visits Leuzinger High school on a rotational basis for intensive cleaning and maintenance projects. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

One plant manager, two day custodians, eight evening custodians, and one groundskeeper are assigned to Leuzinger High School for routine maintenance, daily custodial duties, and special events preparations. The administrative team and plant manager communicate daily regarding campus cleaning needs and safety concerns. Regularly, the associate principals, lead day custodian, and a district maintenance representative meet to discuss campus projects, setups, special assignments, general housekeeping, and project priorities.

The day custodians are responsible for setting up the cafeteria for meals and activities, keeping restrooms clean and stocked, gymnasium cleaning, removing debris and emptying trash receptacles, and addressing minor repairs and maintenance issues. The day custodians check restrooms every hour as a proactive approach in keeping facilities fully stocked, safe, and sanitary. Evening custodians are responsible for daily comprehensive cleaning of classrooms, office areas, library, career center, locker rooms, gymnasium, restrooms, and other areas as assigned. The groundskeeper is responsible for daily landscaping and irrigation maintenance. A crew of skilled groundskeepers visits Leuzinger High School on a rotational basis for large scale mowing, scrubbing, and sweeping.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians receive training from the plant manager, department supervisors, and supply vendors regarding proper cleaning methods, use of chemicals, and use of equipment. The district provides appropriate equipment and supplies to maintain a clean, healthy environment.

Every morning before school begins, the day custodians inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Leuzinger High School took place on September 20, 2012. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2011-12 school year 100% of restrooms were fully operational and available to students at all times.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

All staff believe that a safe learning environment is an effective learning environment. At the beginning of the school year, school rules, district policies, and academic expectations are outlined in the student handbook. All students and parents are required to sign the Olympian Code of Conduct to confirm receipt and understanding of school rules and behavior expectations. During freshman orientation, school staff reinforce behavior expectations and consequences for poor behavior. School rules are displayed in the classroom and outlined in the course syllabus, and an associate principal visits classrooms to reinforce school policies.

Progressive discipline begins in the classroom when students are disruptive or demonstrating poor citizenship. The behavior improvement process involves the student, teacher, parent, and administrators. Students continuing to have difficulty with their behavior are referred to the dean of students or an associate for further intervention measures, taking into consideration past behavior trends. Misbehavior is not tolerated and is dealt with firmly, consistently, and fairly to the extent necessary to ensure a safe and positive learning environment in the classroom and on campus.

SCHOOL LEADERSHIP

Leadership is a responsibility shared among the school administration, school staff, and parents. The principal is responsible for the day-to-day operations of the school and overall instructional program. The principal and two associate principals work closely as a collaborative body to fulfill the many responsibilities associated with running a comprehensive high school while taking responsibility for designated areas.

Leuzinger High School's leadership team is comprised of the principal, associate principals, counselors, dean of students, activities director, athletic director, academy coordinators, program coordinators, and department chairpersons. The team meets monthly as a collaborative decision-making body to address schoolwide curriculum and program improvement strategies. Team members are responsible for supervising assigned areas of responsibility and serve as a liaison to grade level and department teams.

The School Site Council (SSC) is comprised of the principal, teachers, classified staff, parents, and students. The SSC meets monthly to assist in the decision-making process as well as take an advisory role in evaluating school programs, services for underachieving students, and progress in meeting school goals. Team members serve as a liaison between the school and community and are responsible for approving the annual budget, school site plan, and school safety plan.

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Centinela Valley Union High School District are aligned to the California State Content Standards and Frameworks. Staff development is selected and identified based upon student assessment results, state content standards, and in-class observations. During the 2011-12 school year, the district offered two non-student professional development days; one day was devoted to districtwide instruction and supplementary workshops on a wide range of topics. The second staff development day's activities were selected by each high school.

2011-12 Districtwide Topics

- Grading and Assessment by Tom Schimmer
- Pacing Plan and Benchmark Exam Blueprint Revisions
- UC Approval Course Submissions
- Course Outline Revisions
- Direct Interactive Instruction Training
- Child Abuse Reporting Guidelines
- AVID Tutorology and Strategies
- Introduction to Common Core Standards
- E2020
- Socratic Seminars
- Technology
- Next Generation Standards and Literacy in the Science Classroom
- Read 180
- ALEKS
- Proactive Classroom Management
- ELA and Social Science Pacing and Spanish Benchmark Revisions
- Math and Science Pacing and Benchmark Revisions

2011-12 Leuzinger High Topics

- Data Director
- Direct Interactive Instruction Refresher
- Connect Ed
- Department Collaboration
- Eno Board Training
- Promethean Board Training
- Special Education
- Systematic Intervention

Suspensions and Expulsions

	Leuzinger		
	09-10	10-11	11-12
Suspensions (#)	416	381	233
Suspensions (%)	16.16%	17.32%	15.06%
Expulsions (#)	54	9	10
Expulsions (%)	2.10%	0.41%	0.65%

	CVUHSD		
	09-10	10-11	11-12
Suspensions (#)	933	1,157	1,069
Suspensions (%)	13.79%	17.55%	16.46%
Expulsions (#)	138	27	23
Expulsions (%)	2.04%	0.41%	0.35%

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

STUDENT RECOGNITION

All staff embrace the opportunity to recognize and reward students for being good citizens, outstanding academic effort, demonstrating good sportsmanship, and following school rules. Students have many opportunities to earn the following awards and honors:

- Attendance (classroom awards)
- Honor Roll
- CST Recognition
- Senior Awards Night
- STAR Awards
- Top 100 GPA Awards (25 per grade level)
- Senior Luncheon (for students accepted into a four-year college)

EXTRACURRICULAR & ENRICHMENT ACTIVITIES

Students are provided a variety of avenues to explore their personal interests and talents while developing their academic and physical fitness outside the classroom environment. Leuzinger High School sponsors many clubs, leadership training opportunities, college prep courses, and interscholastic athletic programs. Students may attend Club Olympian after school to participate in enrichment activities or receiving tutoring.

DROPOUTS

Leuzinger High School's teachers and administrative staff are skilled in and have developed ways to detect the early identification of students exhibiting the warning signs and/or behavioral traits that typically lead to dropping out of school. A total of 130 dropouts were recorded for the 2010-11 school year.

In the following Dropout & Graduation Rates table, 2010-11 data are most current information available since state certification/release dates for dropout data occur too late for inclusion in this report. Beginning with the graduation class of 2010, the California Department of Education developed Cohort Dropout and Cohort Graduate rate formulas, based on CALPADS' (California Longitudinal Pupil Achievement Data System) four-year accumulation of student data, to more accurately determine dropout and graduation rates in California's schools. The new calculations take many factors into consideration when identifying actual dropouts/graduates. Graduation rates include only graduates that earned their diplomas within a specific four-year period of time; graduation rates do not include students who, for a variety of reasons, took longer than four years to graduate. Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at <http://dq.ce.ca.gov/dataquest/>.

Behavioral and academic intervention strategies provide the support and motivation some students require to earn their diploma. Administration and counseling staff review students' grades, credit accumulation, CAHSEE scores, and attendance records to identify students who may benefit from additional academic support and intervention. Counseling, tutoring, parent conferences, E2020 online credit recovery program, Club Olympian, CAHSEE prep classes, and concurrent enrollment in community college are available to assist those students having difficulty with subject area content.

For those students who have been unsuccessful in the comprehensive high school environment or have exhausted their opportunities to remain at Leuzinger High School, alternative methods of acquiring a diploma are available through the district's continuation school program, concurrent enrollment at the community college, or the district's adult school.

Students must earn 220 credits and pass the CAHSEE to earn a diploma from Leuzinger High School. The following table illustrates the percentage of students who graduated from Leuzinger High School having met both CAHSEE exam requirements and district graduation requirements.

Completion of High School Graduation Requirements for the Graduation Class of:

	2012		
	Leuzinger	CVUHSD	CA
All Students	88.7%	90.7%	-

The state requires disaggregated data for numerically significant subgroups to be disclosed; however, the statistical data necessary to provide disaggregated results were not collected by the state and are not available for disclosure at the time this report was published.

TEACHING LOAD DISTRIBUTION

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Subject	Teaching Load Distribution Departmentalized Instruction			
	Average Class Size	Number of Classes		
		1-20	21-32	33+

**Staff Development Days
Three-Year Trend**

2009-10	2010-11	2011-12
3	1	2

Throughout the year, Centinela Valley Union High School District provided training and support for identified concentrations and districtwide implementation of new and ongoing programs.

2011-12 Staff Development Offerings

- Academy Retreat
- Academy Leadership Retreat
- BTSA Network Meetings
- Curriculum Development - English, Math, Science, and Social Science Collaboration and Integration of Common Core Standards
- Direct Interactive Instruction
- District Counseling
- E2020
- Engagement, Active Learning, and Questioning
- Eno Board Training
- Grading Reform
- International Baccalaureate Training
- Pearson Assessment Training Institute - Sound Grading Practices Conference
- Prentice Hall Literature - Curriculum Training
- Read 180
- Scholastic System 44 Training

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. Centinela Valley Union High School District offers the BTSA Induction Program (Beginning Teacher

Support and Assessment), a state-approved program that provides comprehensive support and training for new teachers with a preliminary credential. After successful completion of the two-year BTSA training, teachers may apply for their clear teaching credential. All program participants are assigned to a Support Provider (mentor teacher) for individualized support and guidance.

The New Teacher Summer Institute is a three-day program for teachers who are new to the district. Training sessions focus on The Big Three (engagement, active learning, and questioning), grading reform, data and accountability, BTSA, effective English language learner strategies, an overview of the district's special education program, equity and diversity, technology in the classroom, and classroom management.

Staff members are encouraged to attend professional workshops offered by the district, professional organizations, or the county office of education. Long-term substitute teachers are invited to attend an annual orientation to better serve the students of the district. Instructional aides are invited to one district-sponsored staff development day to gain insight and understanding of the current curriculum. Classified support staff may receive job-related training from site leadership and district representatives.

SITE-BASED PROFESSIONAL DEVELOPMENT

All supplemental staff development activities at Leuzinger High School focused on increasing student learning and proficiency. The principal with the support of the leadership identifies teacher training needs based upon WASC action plans, school goals, and analysis of student performance data. Teachers collaborate in twice a month in seminars focused on 1) data analysis, 2) teaching strategies, 3) classroom management, 4) standardized test preparation, and 5) aligning the curriculum to state standards. Teachers meet by grade level and in department teams beyond the

school day to collaborate on specific program areas need. New teachers participate in monthly training activities.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Centinela Valley Union High School District are aligned to the California Content Standards and Frameworks. Instructional materials for core content areas are approved by the district's Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On September 25, 2012, the Centinela Valley Union High School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted the Resolution No. 12-13/013 which certifies as required by Education Code §60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive, and (5) for students in grades 9-12, the instructional materials were adopted by the local governing board following district review of the materials and their alignment with state content standards as required by CCR, Title 5, Section 9531.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2012-13 school year, Centinela Valley Union High School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned curriculum. Leuzinger High School structures its course offerings so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. A team of special education teachers and special education aides provide both full-day and full-period support for all core subject areas. Resource specialist staff provide full period instruction as well as individual support in the general education environment. Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures students with disabilities have equal access to core curriculum and educational opportunities and is designed to coordinate specially-designed instruction based upon individual academic, social, and/or behavioral needs.

ENGLISH LANGUAGE LEARNERS

Students identified as English Learners (EL) through the CELDT exam and home language survey are placed in a classroom with a teacher who has been certified to teach English learners. Teachers use differentiated instruction and SDAIE (Specially-Designed Academic Instruction In English) strategies to maximize student understanding of lesson content and concepts. Beginning level English

The textbooks and instructional materials used by the school comply with the California Department of Education's (CDE) curriculum frameworks and content standards. The CDE does not compile an approved adoptions list for 9-12 coursework.

learners may be placed in an ELD (English Language Development) class in lieu of an elective and as a supplement to their core language arts class. ELD lessons focus on developing listening, speaking, reading, and writing skills as quickly as possible, enabling students to successfully participate in the regular education program. As students gain a better understanding of the English language, they may be placed in a Sheltered ELD, Transitional ELD or Advanced ELD class to receive instruction specially designed to meet current language and learning levels. Teachers use the *Edge* curricula for both ELD and reading intervention activities. As students increase fluency, progress is measured through classroom performance and CELDT results. Instruction is subsequently adjusted to meet the current learning needs of each student.

AT RISK INTERVENTIONS

Leuzinger High School offers unique programs to support students not meeting grade level proficiency standards. Intervention and remediation programs are provided during school hours as part of the core curriculum and after school. Analyzing and identifying students who need additional academic assistance is a top priority among school administration, counselors, teachers, and special education staff. Teachers use student assessment results, report card grades, CAHSEE results, attendance records, and classroom performance on end-of-unit tests to evaluate student progress and identify students performing below grade level proficiency standards in reading, language arts, and math.

The Student Study Team is comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Identified students are then placed in a supplemental program that fits their academic needs and learning levels. Intervention strategies include:

- CAHSEE Prep Classes (math and language arts)
- AVID (Advancement via Individual Determination)
- Before and After-School Tutoring
- Club Olympian
- English Language Arts Success
- Free Tutoring (Title I funded)
- Read 180 (reading intervention)
- Algebra Essentials
- Math Success

PROFESSIONAL STAFF

SUPPORT SERVICES STAFF

Leuzinger High School's non-teaching support services staff is a specialized team of experts who, through close collaboration, is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

Counselors and Support Personnel (Nonteaching Professional Staff) 2011-12		
	No. of Staff	FTE
Academic Counselor	4	4.0
College and Career Technican	1	1.0
DIS Counselor	1	1.0

Health Technician	1	1.0
Psychologist	1	1.0
Safety Chief	1	1.0
School Resource Officer	1	1.0
Average Number of Students per Academic Counselor		386.75

FTE = Full-Time Equivalent

TEACHER ASSIGNMENT

Leuzinger High recruits and employs the most qualified credentialed teachers. For the 2011-12 school year, the school employed 77 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

	Leuzinger			
	09-10	10-11	11-12	12-13

The table below identifies the number of classrooms taught and not taught by NCLB compliant teachers. High poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality web page at www.cde.ca.gov/nclb/sr/tq/.

COLLEGE & WORK READINESS

COLLEGE PREPARATION COURSES

Students meet with their counselor annually to review progress in meeting personal goals and graduation requirements. Students are encouraged to take required courses if they plan on attending a four-year college or university. The following table in this report illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Enrollment in and Completion of UC/CSU-Required Courses		%
2011-12 Students Enrolled in UC/CSU Courses Required for UC/CSU Admission		78
2010-11 Graduates Who Completed All Courses Required for UC/CSU Admission		23.8

*Most current data available.

UNIVERSITY OF CALIFORNIA ADMISSION REQUIREMENTS

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California website at www.universityofcalifornia.edu/admissions/general.html.

CALIFORNIA STATE UNIVERSITY ADMISSION REQUIREMENTS

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University website at www.calstate.edu/admission/.

ADVANCED PLACEMENT

Advanced placement (AP) programs give students an opportunity to take college-level courses and exams while still in high school. Students who receive a 3, 4, or 5 on their final AP exams qualify for college credit at most of the nation's colleges.

Advanced Placement Courses Offered and Student Participation Rates 2011-12

	No. of Courses Offered	% of Students Enrolled in AP Courses
Art	1	1.0%
English	2	13.4%
Foreign Language	2	10.7%

Science	2	10.9%
Social Science	5	38.6%
Totals	13	77.3%

WORKFORCE PREPARATION

Leuzinger High School's career technical education courses, career academies, and regional occupational programs offer a wide range of opportunities for students to get a head start on their future. Counselors host special presentations to increase awareness of college and career exploration activities. Freshman visit the computer lab once each semester to participate in on-line career exploration, skills assessments, interest surveys, and research. Most career education courses comply with state-adopted content standards and integrated into the student's four-year academic plan as elective courses. Individual student assessment of work readiness skills takes place through end-of-course exams, course-required projects, on-the-job/classroom observation, and student progress follow-up by counseling staff. Community partnerships and course instructors provide feedback on student progress following

an established schedule based on program type. Regional Occupational Programs (ROP) are available off campus and help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2010-11 school year, Centinela Valley Union High School District spent an average of \$9,985 of total general funds to educate each student (based on 2010-11 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Salary Comparison 2010-11		
	CVUHSD	State Average of Districts in Same Category
Beginning Teacher Salary	40,682	42,660
Mid-Range Teacher Salary	67,495	69,198
Highest Teacher Salary	85,720	88,943
Average Principal Salaries:		
High School	125,977	127,707
Superintendent Salary	219,077	202,123
Percentage of Budget For:		
Teacher Salaries	31	36
Administrative Salaries	7	5

Current Expense of Education Per Pupil 2010-11					
Dollars Spent Per Student					
Expenditures Per Pupil	Leuzinger	CVUHSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	6,761	6,327	106.9%	N/A	N/A
Restricted (Supplemental)	1,114	953	116.9%	N/A	N/A
Unrestricted (Basic)	5,648	5,374	105.1%	5,455	103.5%
Average Teacher Salary	54,479	65,330	83.4%	70,792	77.0%

In addition to general fund state funding, Centinela Valley Union High School District receives state and federal categorical funding for special programs. For the 2010-11 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- ARRA: State Fiscal Stabilization Fund
- Department of Rehabilitation
- Economic Impact Aid (EIA)
- Education Jobs Fund
- Governor's CTE Initiative: California Partnership Academies
- Lottery: Instructional Materials
- Other ARRA Programs
- Other Local
- Partnership Academies Program
- Special Education
- State Lottery
- Title I, II, III, IV
- Transportation Special Education
- Vocational Programs
- Williams Case Settlement
