## **DIRECTOR'S MESSAGE**

I am pleased to present the annual report for the Centinela Valley Union High School Personnel Commission. The Personnel Commissioners and their staff work to establish policies, practices, and procedures serving classified employees at CVUHSD in the areas of classification and compensation, recruitment and assessment, training, and disciplinary hearings. The classified employees provide essential non-teaching services to students, teachers, and the public.

Please take the time to visit the CVUHSD and Personnel Commission website. It will provide you with valuable information on our District and community, information about classified employment, and information about the merit system and its principles.

***Bernie Konig, Director***

## **PERSONNEL COMMISSION** **MISSION STATEMENT**

The mission of the Personnel Commission of the Centinela Valley Union School District is to:

***“Provide and administer effective and efficient Merit System practices of employment for classified employees in the effort to hire, maintain and promote the most qualified staff to provide and support the best services to improve the educational programs”.***

## **MERIT SYSTEM**

The Merit System is a system of rules and procedures with the fundamental purpose of ensuring that employees are selected, promoted, and retained without favoritism and prejudice on the basis of merit and fitness. The classified employees of the Centinela Valley Union High School District have operated under the Merit System since 1994.

The Personnel Commission is the Governing body that provides direction and oversight in the recruitment, selection and retention of the District's classified staff.
