The statistical information disclosed in this report is obtained from the California Department of Education and the Centinela Valley Union High School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Information for the instructional materials section of this report was acquired in July and October 2013; school facilities information was obtained in January 2014.

Accredited by the Western Association of Schools and Colleges Candidate School for International Baccalaureate Diploma Program

School Accountability Report Card

2012-13 School Activity Published in January 2014

PRINCIPAL'S MESSAGE

Hawthorne High School has a long tradition of educating students in the South Bay. This tradition will continue with the modernization of our school facilities that will house an educational program designed to challenge the learning needs of the 21st century high school student. HHS has made a commitment to establish learning academies in the areas of Engineering, Visual and Performing Arts, and Criminal Justice. Each of these academies are in various stages of growth related to their focus, however evidence has been established through the opportunities provided from our professional partners that relevant, real life, engaged experience will support the learning

Presently, Hawthorne High School is applying to become accepted into the International Baccalaureate Program. This program will have open access for any student that wishes to attend our school and will provide our students with a learner profile in which all students will strive to be: inquirers, knowledgeable, thinkers, communicators, principled, openminded, caring, risk-takers balanced and reflective. Our goal is to graduate students that not only have the academic knowledge but that are also able to apply their knowledge to improve work situations and human interaction.

Hawthorne High School Cougars will become world leaders through the 21st Century.

DISTRICT PROFILE

Centinela Valley Union High School District is located next to the 405 freeway in the city of Lawndale, approximately 20 miles southwest of the city of Los Angeles. During the 2012-13 school year, the district's three comprehensive high schools, continuation school, and independent study school served a total of 6,637 students in grades 9-12 residing in the cities of Hawthorne, Lawndale, and Lennox, and unincorporated portions of Los Angeles County. The district serves four feeder districts, Hawthorne Elementary, Lawndale Elementary, Lennox Elementary, and Wiseburn Elementary.

DISTRICT VISION

The Centinela Valley Union High School District is committed to providing an educational environment in which all students succeed. Students will be prepared to meet the challenges of higher education and the future demands of a modern technological society.

School Profile

During the 2012-13 school year, Hawthorne High School served 1,927 students in grades 9-12. Student enrollment included 13% receiving special education services, 19.4% qualifying for English learner support, and 90.9% qualifying for free or reducedprice meals. Hawthorne High School offers a comprehensive standards-based curriculum, preparing students for their postsecondary education opportunities and entrance into the workforce.

School Mission

Hawthorne High School will achieve academic success through high expectations and collaboration.

Percentage of Students by Ethnicity/Grade Level 2012-13								
Ethnic Group	%	Grade Level	#					
African American	15.6%	Grade 9	452					
American Indian or		Grade 10	525					
Alaskan Native	0.4%	Grade 11	520					
Asian	0.6%	Grade 12	415					
Filipino	0.7%	Ungraded	15					
Hawaiian or Pacific								
Islander	0.9%							
Hispanic or Latino	75.8%							
White (not Hispanic)	2.4%							
Two or More Races	1.3%							
		Total Enrollment	1,927					

PARENT INVOLVEMENT

Parents are encouraged to get involved in Hawthorne High School's learning community by volunteering their time, attending school events, or sharing in the decisionmaking process. The school welcomes assistance:

- In the classroom and Parent Center
- · Chaperoning field trips, dances, and college visits
- · With fundraising projects
- With special projects, mailers, test prep activities
- With athletics

Parent representation is an integral component of the School Site Council, English Learner Advisory Council, Superintendent's Advisory Committee, Booster Club, Title I Parent Advisory Council, and Student Support Personnel Team. Each of these groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact a representative located in the main office at (310) 263-4401.

Hawthorne High School provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

- Athletic Events Parent Education
- Workshops
- Academy Nights/ **Events**
- Parent Orientation
- Back to School Night
- Parent Conferences
- Family Mediation Renaissance Program
- Family Counseling

- Student Performances
- Fundraising
- Subject-Based Family Nights
- Monthly Parent Meetings • Title I Parent Meetings
- Open House
- UCLA Tutoring
- PIQE
- RtI2

School News

All school-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates in the following formats:

- ConnectEd (mass communication telephone system)
- E-mail
- Monthly calendars
- Parent Portal (online student grades/information system)
- Quarterly school newsletters
- School website and marquee

STUDENT ACHIEVEMENT

ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2012-13 AYP cycle, high schools must achieve a 88.9% or higher proficiency rate in English/Language Arts and 88.7% or higher proficiency rate in math on the California High School Exit Exam (grade 10 results only). Additional criteria contributing to whether or not a high school demonstrates AYP include achieving a 95% or above participation rate on the CAHSEE, obtaining an API growth score of 740 or higher or increasing the API growth by one point, and obtaining a graduation rate of 90%.

Adequate Yearly Progress Results Reported by Indicator and Compared to District Performance 2012-13

Did the school and district meet or exceed 2013 AYP performance criteria in each of the areas listed below?

AYP Criteria	Hawthorne	CVUHSD
Overall Performance	No	No
Participation Rate		
Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
Language Arts	No	No
Math	No	No
API	No	No
Graduation Rate	Yes	No

AYP Performance Level

Number of AYP Criteria		
Met Out of the Total	11/22	12/26
Number of Criteria Possible		

The AYP table in this report illustrates the school's progress in meeting 2012-13 AYP target rates. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

STANDARDIZED STATE ASSESSMENTS

Students at Hawthorne High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative

STAR Results All Students Percentage of Students Scoring at Proficient and Advanced Levels									
	Hawthorne			CVUHSD			CA		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13

Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS).

California Standards Test

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards. Detailed results by grade level for each student group can be obtained from the California Department of Education's website http://star.cde.ca.gov.

CALIFORNIA HIGH SCHOOL EXIT EXAM

The California High School Exit Exam (CAHSEE) is a statemandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years. Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 69% of Hawthorne High School's tenth grade students who took the test passed the math portion of the exam and 69% passed the language arts portion of the exam. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report. Detailed information about the CAHSEE can be found at www.cde.ca.gov/ta/tg/hs/.

PHYSICAL FITNESS

In the spring of each year, Hawthorne High School is required by the state to administer a physical fitness test to all students in the ninth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards

2012-13 Number of Standards Met: 4 of 6 5 of 6 6 of 6 Grade(s) Tested Ninth 13.0% 14.0% 15.0%

ACADEMIC PERFORMANCE INDEX

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement. The API measures academic performance and growth of California's schools based on a numeric scale ranging from a low 200 to a high 1000. Academic growth is measured by subtracting the base year API from the growth API. API growth scores are based upon the results of state standardized tests. Schools that do not meet or exceed their growth targets and are ranked in the bottom half of the statewide distribution may qualify for intervention program funding. Each annual API reporting cycle includes two reports: a base report, which is released after the first of the calendar year, and a growth report, which is released after school starts in the fall. These reports are based on APIs calculated in exactly the same fashion with the same indicators but using test results from two different years.

The API table in this report highlights Hawthorne High School's progress over the past three years. To maintain confidentiality, results are reported for numerically significant subgroups only. Numerically significant subgroups are comprised of 1) at least 100 students with valid test scores or 2) at least 50 valid scores comprising at least 15% of the valid test scores.

No CHILD LEFT BEHIND (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide

schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2012-13, Hawthorne High School received Title I Schoolwide funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

Title I PI Status 2013-14								
	Hawthorne	CVUHSD						
PI Status First Year of PI	In PI	In PI						
Implementation	1999-2000	2004-05						
Year in PI	Year 5	Year 3						
# Schools Currently In PI		3						
% Schools Currently In PI		60%						

The statistical information in this table reflects the PI status during the 2013-14 school year.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ay/.

School Facilities & Safety

FACILITIES PROFILE

Hawthorne High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed circa 1950. Monthly safety inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

2013-14 Planned Campus Improvement Projects

SUPERVISION & SAFETY

All staff share in the supervision of students throughout the day; campus security personnel patrol the campus before, during, and after school. All students are required to enter the campus through the main gate. As students arrive on campus each morning, all administrators and campus security officers are stationed at strategic locations to monitor student activities. During the lunch period, all administrators share supervision of students in the cafeteria and central common area. The Dean of Students circulates throughout the campus during lunch to increase individual student support and accessibility. When students are dismissed at the end of the day, administrators, the Dean of Students, and campus security staff monitor exit areas, student pick-up areas, and bus loading areas to ensure students leave campus in a safe and orderly manner. Following a regular schedule, canine detection teams visit the campus to screen for prohibited items and substances. To maintain a safe and secure environment, all parents and visitors are required to check in at the security booth located at the main school entrance, obtain and wear a visitor's badge, and then return to the security booth upon departure.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Safety Plan (CSSP) was developed for Hawthorne High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in November 2013.

FACILITIES MAINTENANCE

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic (web-based) work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of Hawthorne High School's repairs and maintenance projects are performed by the school's day custodians. A crew of custodians visits Hawthorne High School on a rotational basis for intensive cleaning and maintenance projects. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

One plant manager, eight custodians, and one groundskeeper are assigned to Hawthorne High School for routine maintenance, daily custodial duties, and special events preparations. The associate principal in charge of facilities and custodians communicate daily regarding campus cleaning needs and safety concerns. The day custodians are responsible for setting up the cafeteria for meals and activities, keeping restrooms clean and stocked, gymnasium cleaning, removing debris

Item Inspected				School Facility Good Repair Status Repair Status				
Inspection Date: January 21, 2014	Good	Fair	Poor	Repair Needed and Action Taken or Planned

	Exe	empl	ary	Good Fair Poor				
Overall Summary				✓				

Poor: The school facilities are in poor condition. Deficiencies of various degrees have been noted throughout the site. Major repairs and maintenance are necessary throughout campus.

and emptying trash receptacles, and addressing minor repairs and maintenance issues. The day custodians check restrooms every two hours as a proactive approach in keeping restrooms fully stocked, safe, and sanitary. Evening custodians are responsible for daily comprehensive cleaning of classrooms, office areas, library, career center, locker rooms, gymnasium, restrooms, and other areas as assigned. The groundskeeper is responsible for daily landscaping and irrigation maintenance. A crew of skilled groundskeepers visits Hawthorne High School on a rotational basis for large scale mowing, scrubbing, and sweeping.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians receive training from department supervisors and supply vendors regarding proper cleaning methods, use of chemicals, and use of equipment. The district provides appropriate equipment and supplies to maintain a clean, healthy environment.

FACILITIES INSPECTIONS

Every morning before school begins, the lead day custodian inspects facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Hawthorne High School took place on January 21, 2014. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2012-13 school year, 100% of restrooms were fully operational and available to students at all times.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

All staff believe that a safe learning environment is an effective learning environment. Behavior management practices and discipline policies are based upon the Hawthorne High School Cougar Code of Conduct and the district's discipline matrix. At the beginning of the school year, school rules, district policies, and academic

expectations are outlined in the student handbook and discussed at grade level assemblies. School staff reinforce behavior expectations and consequences for poor behavior throughout the year at student assemblies. When appropriate, school policies are revisited during parent meetings, school announcements, at pep rallies, and at student assemblies.

Suspensions and Expulsions								
		Hawthorne						
	10-11	11-12	12-13					
Suspensions (#)	384	575	450					
Suspensions (%)	18.05%	29.76%	23.35%					
Expulsions (#)	8	8	7					
Expulsions (%)	0.38%	0.41%	0.36%					
		CVUHSD						
		High Scho	ols					
	10-11	11-12	12-13					
Suspensions (#)	1,157	1,069	773					
Suspensions (%)	17.55%	16.46%	11.66%					
Expulsions (#)	27	23	20					
Expulsions (%)	0.41%	0.35%	0.30%					

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

Progressive discipline begins in the classroom when students are disruptive or demonstrating poor citizenship. The behavior improvement process involves the student, teacher, parent, and administrators. Students continuing to have difficulty with their behavior are referred to the Dean of Students for further intervention measures, taking into consideration past behavior trends. When appropriate, students may be referred to an

associate principal or a Richstone Counselor (third party services) for guidance and support. Misbehavior is not tolerated and is dealt with firmly, consistently, and fairly to the extent necessary to ensure a safe and positive learning environment in the classroom and on campus. The Positive Behavior Intervention Support (PBIS) program provides comprehensive curriculum to promote responsible, safe behaviors as well as bully prevention strategies through classroom activities, presentations, hands-on activities, and scripted weekly lessons.

STUDENT RECOGNITION

All staff embrace the opportunity to recognize and reward students for being good citizens, outstanding academic effort, demonstrating good sportsmanship, and following school rules. Students have many opportunities to earn the following awards and honors at the end of each grading period:

- AP Honors
- Attendance Awards
- CAHSEE Awards
- · CST Performance Awards
- Honor Roll
- Link Crew
- · Ninth Grade Promotion Exercise
- Principal's Honor Roll
- Renaissance Awards/Privileges
- Senior Awards Night

EXTRACURRICULAR & ENRICHMENT ACTIVITIES

Students are provided a variety of avenues to explore their personal interests and talents while developing their academic and physical fitness outside the classroom environment. Hawthorne High School sponsors many clubs, leadership training opportunities, college prep courses, the Blueprint Program, and interscholastic athletic programs.

TEACHING LOAD DISTRIBUTION

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students. 21-32 students. and 33 or more students.

Teaching Load Distribution Departmentalized Instruction

DROPOUTS

Hawthorne High School's teachers and administrative staff are skilled in and have developed ways to detect the early identification of students exhibiting the warning signs and/ or behavioral traits that typically lead to dropping out of school. A total of 81 dropouts were recorded for 2011-12.

In the following Dropout & Graduation Rates table, 2011-12 data are most current information available since state certification/release dates for dropout data occur too late for inclusion in this report. Beginning with the graduation class of 2010, the California Department of Education developed Cohort Dropout and Cohort Graduate rate formulas, based on CALPADS' (California Longitudinal Pupil Achievement Data System) four-year accumulation of student data, to more accurately determine dropout and graduation rates in California's schools. The new calculations take many factors into consideration when

identifying actual dropouts/graduates. Graduation rates include only graduates that earned their diplomas within a specific four-year period of time; graduation rates do not include students who, for a variety of reasons, took longer than four years to graduate. Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at http://dq.cde.ca.gov/dataquest/.

Dropout and Graduation Rates					
	Hawthorne				
	09-10	10-11	11-12		
Dropout Rate (%)	30.8	22.4	18.2

Graduation Rate (%)	61.5	65.5	64.7		
		CA			
Dropout Rate (%)	16.6	14.4	13.1		
Graduation Rate (%)	74.7	76.3	78.7		

Behavioral and academic intervention strategies provide the support and motivation some students require to earn their diploma. The school website provides a list of student support services and programs to promote success and academic achievement. Counseling, tutoring, mentoring, parent conferences, E2020, and school transfers are available to resolve issues for those students having difficultly with subject area content or social interactions. After-school peer tutoring and teacher led tutoring are available each day. Once each quarter, identified students are invited to a special presentation delivered by a motivational speaker who provides emotional support and emphasizes the value of a high school diploma. Students may be referred to the following programs for extra academic support:

- Hawthorne Community Center for tutoring
- · Saturday Kaplan sessions for CAHSEE support
- Independent Study (concurrent enrollment)
- · Saturday School for attendance recovery
- · Opportunity for Learning (private school)

Alternative methods of acquiring a diploma are available through the district's continuation school and concurrent enrollment in community college for those students who have been unsuccessful in the comprehensive high school environment or have exhausted their opportunities to remain at Hawthorne High School.

Students must earn a total of 220 credits and pass the CAHSEE to receive a diploma from Hawthorne High School. The following table illustrates the percentage of students who graduated from Hawthorne High School having met both CAHSEE exam requirements and district graduation requirements.

Requirements for the Graduation Class of:								
2012								
Hawthorne CVUHSD CA								
All Students	77.8%	71.0%	84.4%

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Centinela Valley Union High School District are aligned to the California State Content Standards and Frameworks. Staff development is selected and identified based upon student assessment results, state content standards, and in-class observations. During the 2012-13 school year, the district offered two non-student professional development days; one day was devoted to districtwide instruction and supplementary workshops on a wide range of topics. The second staff development day's activities were selected by each high school.

2012-13 Districtwide Topics

- Direct Interactive Instruction Training
- Special Education
- Supporting English Learners in the Mainstream Classroom
- Technology Training
- English Language Arts, Science, and World Languages
- · Read 180/System 44 Virtual Cadres
- English Language Arts Success Virtual Cadres
- Math Success Professional Learning Community
- E2020
- Common Core English Language Arts

2012-13 Hawthorne High Topics

- Common Formative Assessments
- Illuminate Formative Assessments
- Direct Interactive Instruction

Staff Development Days Three-Year Trend				
2010-11	2011-12	2012-13		
1	2	2		

Throughout the year, Centinela Valley Union High School District provided training and support for identified concentrations and districtwide implementation of new and ongoing programs.

Centinela Valley Union High School District and three other local districts (Lawndale, Lennox and Hawthorne) jointly support new teachers in developing their teaching skills through the New Teacher Induction Program, which is designed for first- and second-year teachers holding a preliminary credential to earn their clear teaching credential. The New Teacher Summer Institute is a threeday program for teachers who are new to the district. Training sessions focus on The Big Three (engagement, active learning, and questioning), grading reform, data and accountability, BTSA (Beginning Teacher Support and Assessment), effective English language learner strategies, an overview of the district's special education program, equity and diversity, technology in the classroom, and classroom management. After successful completion of the two-year BTSA training, teachers may apply for their clear teaching credential. All program participants are assigned to a Support Provider (mentor teacher) for individualized support and guidance.

Staff members are encouraged to attend professional workshops offered by the district, professional organizations, or the county office of education. Substitute teachers are invited to attend an annual orientation to better serve the students of the district. Classified support staff may receive additional job-related training district representatives.

SITE-BASED PROFESSIONAL DEVELOPMENT

All supplemental staff development activities at Hawthorne High School are focused on increasing student learning and proficiency. The principal and leadership team identify teacher training needs in alignment with the district's mission and based upon results of staff surveys and analysis of student performance data. Teachers meet twice a month after school on early release days to collaborate within their departments and align benchmark exams and pacing guides through the analysis of student performance data. During the 2012-13 school year, staff development emphasized 1) the review of benchmark exams to modify or expand curricular focus and 2) introduction of common core programs.

SCHOOL LEADERSHIP

Leadership is a responsibility shared among the school administration, school staff, and parents. Principal Mark Newell is responsible for the day-to-day operations of the school and overall instructional program. The principal and three associate principals work closely as a collaborative body to fulfill the many responsibilities associated with running a comprehensive high school while taking responsibility for designated areas.

Hawthorne High School's leadership team is comprised of the principal, associate principals, department chairpersons, counselors, Academy coordinator, classified staff leads, and Academy leads. The team meets monthly as a collaborative decision-making body to facilitate the schoolwide vision and implementation of standards-based learning through the curriculum, standards-based learning through instruction, standards-based learning through assessment and accountability, school culture, and support for students and academic growth. Team members serve as a liaison to their respective department teams.

responsibility for designated areas. academic growth. Team members serve as a liaison to their respective department teams.

The textbooks and instructional materials used by the school comply with the California Department of Education's (CDE) curriculum frameworks and content standards. The CDE does not compile an approved adoptions list for 9-12 coursework.

Textbook information was obtained from district office personnel in October 2013.

The School Site Council (SSC) is comprised of the principal, teachers, classified staff, parents, and students. The SSC meets monthly to assist in the decision-making process awell as take an advisory role in evaluating school programs, services for underachieving students, and progress in meeting school goals. Team members serve as a liaison between the school and community and are responsible for approving the annual budget, school site plan, and school safety plan.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Centinela Valley Union High School District are aligned to the California Content Standards and Frameworks. Instructional materials for core content areas are approved by the district's Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On October 8, 2013, the Centinela Valley Union High School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted the Resolution No. 13-14/009 which certifies as required by Education Code §60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive, and (5) for students in grades 9-12, the instructional materials were adopted by the local governing board following district review of the materials and their alignment with state content standards as required by CCR, Title 5, Section 9531.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2013-14 school year, Centinela Valley Union High School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned curriculum. Hawthorne High School structures its course offerings so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Resource specialists and special education teachers are paired with a general education teacher to co-plan/co-teach core subjects. Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures students with disabilities have equal access to core curriculum and educational opportunities and is designed to coordinate specially-designed instruction based upon individual academic, social, and/or behavioral needs.

ENGLISH LANGUAGE LEARNERS

Students identified as English Learners (EL) through the CELDT exam and home language survey are placed in a classroom with a teacher who has been certified to teach English learners. Teachers use differentiated instruction and SDAIE (Specially-Designed Academic Instruction In English) strategies to maximize student understanding of lesson content and concepts in core classes to accommodate the limitations of English learners. Beginning level English learners may be placed in an ELD (English Language Development) class in lieu of an elective and as a supplement to their core language arts class; lessons may incorporate Studio and Read 180 programs to support

reading and language acquisition skills development. ELD lessons focus on developing listening, speaking, reading, and writing skills as quickly as possible, enabling students to successfully participate in the regular education program. As students gain a better understanding of the English language, they may be placed in a Transitional ELD or Advanced ELD class to receive instruction specially designed to meet current language and learning levels.

Under the direction of the classroom teachers, one bilingual aide provides in-class support in the students' areas of need. Teachers use the Edge curricula for both ELD and reading intervention activities. As students increase fluency, progress is measured through classroom performance and CELDT results. Instruction is subsequently adjusted to meet the current learning needs of each student.

AT RISK INTERVENTIONS

Hawthorne High School offers unique programs to support students not meeting grade level proficiency standards. Intervention and remediation programs are provided during school hours as part of the core curriculum and after school. Analyzing and identifying students who need additional academic assistance is a top priority among school administration, counselors, teachers, and special education staff. Teachers use student assessment results, intervention assessments, attendance records, discipline records, benchmark exams, report card grades, CAHSEE results, and classroom performance on end-of-unit tests to evaluate student progress and identify students performing below grade level proficiency standards in reading, language arts, and math.

The Student Success Team is comprised of school administrators, teachers, and parents who work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Identified students are then placed in a supplemental program that fits their academic needs and learning levels. Intervention strategies include:

- AVID (Advancement via Individual Determination)
- Before and After-School Tutoring
- Blueprint Program
- CAHSEE Prep Classes (math and language arts)
- Cougar Academy (Ninth grade mentoring program)
- English and Math Computer Lab
- Free Tutoring (Title I)
- CAHSEE Prep using Kaplan (Saturday sessions)
- Math Essentials
- Read 180
- Saturday School Attendance Recovery
- Studio (reading program)

Professional Staff

SUPPORT SERVICES STAFF

Hawthorne High School's non-teaching support services staff is a specialized team of experts who, through close collaboration, is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

Counselors and Support Personnel (Nonteaching Professional Staff) 2012-13

FTE = Full-Time Equivalent

TEACHER ASSIGNMENT

Hawthorne High School recruits and employs the most qualified credentialed teachers. For the 2012-13 school year, the school employed 71 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

Teacher Credentials and Assignments					
	Hawthorne				
	10-11	11-12	12-13	13-14

The table below identifies the number of classrooms taught and not taught by NCLB compliant teachers. High poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality web page at www.cde.ca.gov/nclb/sr/td/.

College & Work Readiness

COLLEGE PREPARATION COURSES

All students meet with their counselor at least once each semester to review progress and discuss A-G coursework requirements. The College/Career Center is available to students before school, during lunch period, during nutrition break, and after school for students interested in exploring college/career resources, planning materials, and special events. Students are encouraged to take required courses if they plan on attending a four-year college or university. The following table in this report illustrates the proportion of

courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

	Enrollment in and Completion of UC/CSU-Required Courses			
ı		%		
ı	2012-13 Students Enrolled in UC/CSU

ı	2011-12 Graduates Who Completed All			
ı	Courses Required for UC/CSU Admission	24.5		

*Most current data available.

University of California Admission Requirements

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California web site at www. universityofcalifornia.edu/admissions/general.html.

CALIFORNIA STATE UNIVERSITY ADMISSION REQUIREMENTS

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University web site at www.calstate.edu/admission/.

ADVANCED PLACEMENT

Advanced placement (AP) programs give students an opportunity to take college-level courses and exams while still in high school. Students who receive a 3, 4, or 5 on their final AP exams qualify for college credit at most of the nation's colleges.

Advanced Placement Courses Offered and Student Participation Rates 2012-13

Science Social Science Totals	3 15	6.2%			

Workforce Preparation

Hawthorne High School's career technical education programs, career academies, and regional occupational programs offer a wide range of opportunities for students to get a head start on their future. All career education courses comply with state-adopted content standards and integrated into the student's four-year academic plan as elective courses. Individual student assessment of work readiness skills takes place through analysis of CST results, attendance rates, discipline records, and graduation rates. Community partnerships and course instructors provide feedback on student progress following an established schedule based on program type. Regional Occupational Programs (ROP) are available off campus to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2011-12 school year, Centinela Valley Union High School District spent an average of \$9,850 of total general funds to educate each student (based on 2011-12 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average

Salary Comparison 2011-12					
	CVUHSD	State Average of Districts in Same Category			
Beginning Teacher Salary	41,394	42,865			
Mid-Range Teacher Salary	68,616	69,484			
Highest Teacher Salary	87,221	89,290			
Average Principal Salaries:					
High School	127,368	128,378			
Superintendent Salary	240,613	202,664			
Percentage of Budget For:					
Teacher Salaries	32	37			
Administrative Salaries	7	5			

teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Current Expense of Education Per Pupil 2011-12							
	Dollars Spent Per Student						
Expenditures Per Pupil		CVUHSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State		
Total Restricted and Unrestricted	5,472	N/A	N/A	N/A	N/A		
Restricted (Supplemental)	637	N/A	N/A	N/A	N/A		
Unrestricted (Basic)	4,835	4,364	110.8%	5,537	87.3%		
Average Teacher Salary	69,359	67,973	102.0%	71,584	96.9%		

In addition to general fund state funding, Centinela Valley Union High School District receives state and federal categorical funding for special programs. For the 2011-12 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- Department of Rehabilitation
- Economic Impact Aid (EIA)
- Education Jobs Fund
- Governor's CTE Initiative: California Partnership Academies
- · Lottery: Instructional Materials
- Other Local: Locally Defined
