NOTICE OF PUBLIC HEARING (Prepared and Distributed April 28, 2015)

In 2013-2014, the State of California budget replaced the previous K-12 finance system with a new Local Control Funding Formula (LCFF). The LCFF creates base, supplemental, and concentration grants in place of most previously existing K-12 funding streams, including revenue limits and most state categorical programs. As part of the LCFF, school districts were required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). As part of the 2014-15 LCAP annual update, the School Board of the Centinela Valley Union High School District will hold a public hearing to obtain stakeholder input related to any changes to the actions or goals the district makes to the plan.

Parents, teachers, members of the community, and bargaining unit leaders are encouraged to attend.

The public hearing will be conducted on May 12, 2015 at 6:30 p.m. in the Board Room, located at 14901 Inglewood Avenue, Lawndale, CA, 90260.
